# St. Chads Bowling Club

## 60th Anniversary Day

### 14th August 2016

Starting: 2.30pm

*Bowls:* Mysterious and ancient game played by people old enough to know better, using balls carefully designed to go in the wrong direction.

## The members of St. Chads Bowling Club welcome you to our 60th Anniversary Day.

St. Chads Bowling Club started life as a men's only club in 1956, a ladies club was started in 1958 and in 1996 both clubs were amalgamated into one club. St. Chads has had considerable success over its lifetime, the club has, for example, won the Tarbard Shield more times than any other club to date.

We have however, like many clubs, seen a deterioration of membership so it is an achievement in itself to have made it to 60 years and we strive to continue on for many years yet.

Over the years there have been some auspicious events such as the bowling game in 2006 with the Chelsea pensioners to mark the 50th anniversary.

We hope that you will enjoy your day with us, well done to the triple that achieves the highest overall score but the most important thing is to enjoy the day and to keep bowling!

## Rules of play

- 6 triples from St. Chads versus 6 guest triples.
- Each guest triple to move to next rink after 3 ends, all triples play 18 ends in total.
- Each triple to keep running total of their agreed score for all 18 ends.
- Winner is the triple with the best shots difference after 18 ends.
- In case of a tie there will be one final end with each bowler bowling one wood each.

*They were good losers, I thought they took it well!*
